Roosevelt Hospital provides comprehensive neurosurgical care to treat complex disorders of the brain, spinal cord, and spine. Our patients come from all over the United States and from many parts of the world. Our entire neurosurgical staff of experts have earned international praise as leaders in their respective fields. Four of our top surgeons have been selected in **Super Doctors** for 2008.

To get more information about what we provide, please call 212-523-6720 or visit our website at: www.Roosevelt-Neurosurgery.com
